Dear PAUL GOOLSBY:

Enclosed is your Escrow Disclosure Statement and notice of new mortgage payment for your loan. At least once a year, FCI reviews your escrow account to determine if the current monthly payment amounts are sufficient to cover your projected taxes and/or insurance premiums. Increases or decreases in your annual tax and/or insurance amounts may cause your monthly payment to change. The first section of the Statement projects activity for the upcoming 12 months as well as any changes to your monthly payment. Prior Year Escrow Payment Activity on the Statement reflects activity on your escrow account from February 2020 through January 2021. Payments are shown in the month received, which may not necessarily be the month due. **The Statement assumes timely receipt of payments and scheduled disbursements through January 31, 2022.**

Target Balance: A Target Balance means the estimated month-end balance in an escrow account that is just sufficient to cover the remaining disbursements from the escrow account for the remainder of the 12-month period that are required to cover annual taxes, insurance, or other escrow items.

Surplus: A Surplus is the amount by which a current escrow balance exceeds the target balance for the 12-month period for the escrow account. Required refunds, due to a Surplus, will be mailed within 30 days or per applicable State law. Tax bills other than the annual secured bill are your responsibility to pay. Before spending your refund, you should check with your local Tax Collector and/or the Assessor's Office to determine if a Supplemental Tax Bill is pending or expected to be issued.

Shortage: A Shortage is the amount by which a current escrow account balance falls short of the target balance at the time of the escrow analysis. Some reasons for the shortage include deficiency of total payments received or increases in tax and/or insurance amount during the projection year. If you choose to pay the escrow shortage in full rather than have it collected over 12 months, your new monthly payment can be calculated by subtracting the shortage from the new payment information section on the second page of this analysis. Your check for the lump sum payment and request should be submitted directly to FCI Lender Services, Inc. Attn: Escrow Department at the address listed below.

Deficiency: A Deficiency is the amount by which a current escrow balance becomes negative. This occurs when the Servicer advances funds to pay an escrow item.

Please take the time to review this Statement prior to the changes taking place. Changes to your monthly payment, as indicated in your Statement, will be reflected on your February 2021 billing statement. If you are using an automatic payment provider, please notify them of the change in your payment amount to avoid possible late fees.

If you have any questions regarding this Statement, please call our toll free number at 800-931-2424, Ext. 650, Monday through Friday between the hours of 8:00 a.m. and 5:00 p.m. Pacific Time or visit our website www.trustfci.com at any time. When calling, please reference your loan number so that we may better serve you.
